Baby Shower

Word Scramble

Eight baby words - unscramble them all - fastest correct sheet wins

This is the free sample. It is a complete, playable game - print as many copies as your party needs. The full version has more questions, a separate answer key for the host, and both US Letter and A4 layouts.

How to play

- Hand out one sheet per guest. Every line is a baby-related word with the letters mixed up.

- Give guests 5 minutes. No phones.

- The first guest with all eight correct wins. If nobody finishes, most correct wins.

Good for mixed ages: every word here is common, so grandmothers do as well as the friends. Games that only work for one generation empty the room.
